# The “Through-train” Arrangement

## 初中高中一條龍安排

The Junior Secondary College and the Sixth Form College share common educational beliefs and goals and will provide a quality service to students as a school operating the full range of secondary classes. Upon completing S.3 at the Junior Secondary College, students will be promoted to S.4 classes at the Sixth Form College.

### Curriculum

#### 課程

The curriculum at PLK Tong Nai Kan Junior Secondary College aims to provide a balanced curriculum to cater for students’ needs and to lay solid foundations for the development of students’ generic skills in the two languages, numeracy and information technology. For content-based subjects, most of subjects will be taught in English.

Curriculum for Form 1 (2010-2011)	Curriculum for Form 2 (2011-2012)	Curriculum for Form 3 (2012-2013)	
<b>Subjects</b>	<b>Subjects</b>	<b>Subjects</b>

Physics	Economics
Chemistry	Chin. History
Biology	History
Combined Science	Chin. Literature
Business, Accounting & Financial Studies	Tourism & Hospitality Studies
Information & Communication Technology	Health Management & Social Care
Geography	

### Gifted Education

Believing many students are talented in some areas, we seek to realize their potential. Besides identifying students of high ability, by observing their performance, we will help to identify and assess the hidden talents of the students by tertiary institutions. Apart from academic training like Mathematics enhancement programmes and Science sports and other areas, we also provide support to students with talents and skills in music, performing arts,

#### 資優教育

# Features of the JS College

## 初中書院的特色

### Emphasising and promoting English in the curriculum:

A school-based language curriculum to smooth the transition from JS College to SF College.  
 Small-class teaching of English at the JS College.  
 Inter-class writing, reading and storytelling courses taught by native English speakers.  
 English day camps at the JS College conducted by native English-speaking teachers.  
 A multi-faceted language-arts based programme incorporating drama and media.

### Incorporating Awareness Communication Thinking (A.C.T.) across the curriculum:

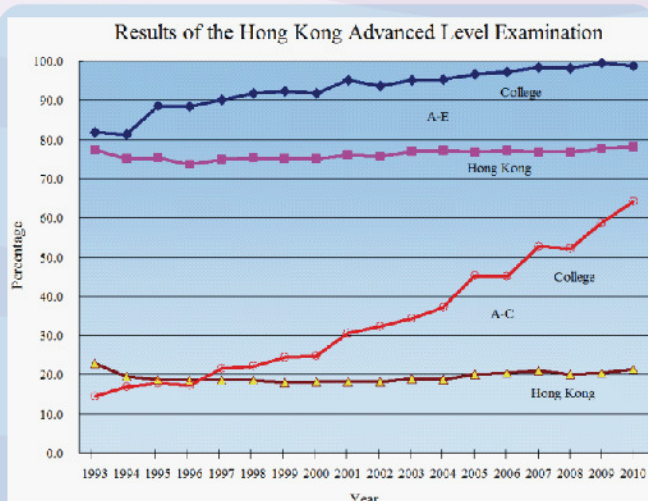

Training for students in awareness of our society, communication skills and thinking strategies.  
 Development of learning strategies related to Liberal Studies and languages.  
 Implementation of 'learning-to-learn' skills across all curriculum areas.  
 Incorporation of project-based learning opportunities.  
 Collaboration with tertiary institutions on a number of teaching and learning projects

### Developing the 'whole' student for future study, work and life:

Enhanced opportunities for students to develop their multiple intelligence in non-academic areas.  
 A balance between pastoral guidance and training in the development of independent decision-making and personalized goal-setting skills.  
 Self-management training.  
 Instant on-site access to a team of qualified and experienced teachers.

University Admission Statistics for Students of the Sixth Form College

## Harnessing two schools to provide quality service for your child

### 結合兩校優良傳統，提供優質教育

#### At the Junior Secondary College

Strong pastoral care system dedicated to the social and civic development of all students.  
 Small class teaching and learning environment to maximize student participation and attainment.  
 A professional and committed teaching fraternity encompassing a broad variety of skill sets and experience.

#### At the Sixth Form College

A broad-based curriculum offering varied and flexible subject combinations to best fit students' academic and life goals.  
 A small group tutorial system allowing for more intensive peer-learning opportunities, supplemented by guided teacher instruction.  
 A mentor system encouraging close pastoral links between students and staff, challenging students to set goals and accept responsibility for their actions and achievements.  
 Highly skilled and experienced subject teachers collaborating to ensure that their particular areas of expertise coordinate with those of other staff members for the benefit of the whole student body.
